“ *What moves through you is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. You may not understand why he left this earth so soon, or why Danny left before you were ready to say good-bye, but little by little, you'll begin to remember not just that he died, but that he lived. And his life gave you memories too beautiful to forget. Death may leave a heartache no one can heal, but love, loves leaves a memory no one can steal. Kim, Barry and Amanda we are so sorry for your loss. Our thoughts are with you.*

“ Such a sweet boy who died way to young. Your parents are going to miss you greatly as well as Dalyton. You were such a good friend to my son. A young boy who would come and visit you all the time and you never minded. He will miss riding dirt bikes with you and listening to you play the drums. I am wishing your parents the peace that they need to get through this.##imported-begin##Melissa Strohl##imported-end##

“ Dan was a terrific friend and an outstanding person. He was an unbelievable drummer and he could always bring life to any room he was in. He was always there when you were down and now he is bringing his cheer to a different crowd. Only the good die young and he was one of the best, and is truly missed and always will be remembered.##imported-begin##Melissa Hmpton##imported-end##
