“ *Danny and Gloria have been a part of my life for all of my 61 years as my Mom and Gloria graduated high school together! My brother, sister and I loved visiting them - such a cool couple as we always felt loved by both of them. Danny lived and loved like no other - RIP my friend.*

“ *Danny was a wonderful person, and neighbor to my parents. Over the years my parents travelled with Danny and Gloria, and they all became best friends, and have stayed friends for over 25 years. Danny was a kind and generous person, and he will be missed by the Johnson family.*

“ Because he was closer to my mom's age, Danny was more like a beloved uncle than a cousin. I always admired his work ethic, sense of humor, love for Gloria and the way he cared for my aunt, his brothers and extended family. He and Gloria had a marriage that was a model of love and devotion. My fondest memories are of family BBQs and holiday gatherings. Danny was the life of the party. I'll miss his big smile and bear hugs. I always looked forward to Christmas Eve at my Aunt Aggie's little one-bedroom apartment where all her boys, their families & extended family gathered for dinner and a party. Danny's mom, my aunt, would cook enough delicious food for an army. At midnight Danny & his brothers would lead us in singing the 12 Days of Christmas. I can't find the words to describe how warm and happy those times were. Rest in heaven Danny. You are so loved and missed.
