*We have such fond memories of your Father and the impact he had on the entire Satti family. Dave was such a soft spoken gentleman with such a very big heart. On numerous occasions, he helped family members and was so good to our parents. My father and Mother thought the world of Dave and appreciated his kindness and thoughtfulness toward them and the entire family. Your Dad was the perfect example of true Fatherhood. He loved his beautiful daughters, handsome Son and all those adorable grandchildren. Your Dad will be truly missed by all.*
