

## David Steven Baugh

July 19, 1977 - June 1, 2023

David Steven Baugh, 45, of Centreville, MD, passed away suddenly on June 1, 2023. He was born August 19, 1977, to Steve and Carol Baugh.

Dave is survived by wife, Heather; his mother, Carol; and his two sons, Michael and William.

Dave grew up in Kankakee, IL, and graduated from Illinois Lutheran High School. Upon graduation, Dave headed to the East Coast to attend college at the University of Maryland. He was a forever Terp. He was hired by the University after graduation, and he worked there his entire career. At the time of his passing, he was the Interim Assistant Dean Finance and Administration, Director of IT and Facilities.

A serendipitous outing led to him marrying the love of his life, Heather. After a few years on the western shore, they decided to put down roots in Centreville. As the boys got older, Dave was an ever-present force on the ballfields, coaching and cheering them on.

Dave was a devoted family man, and that encompassed his extended family.

As a Midwesterner, he loved rooting for his Milwaukee Brewers and Chicago Bears. He also loved to cook, and he was an avid fan of Alton Brown. There

wasn't a recipe he found that he couldn't tweak and improve dramatically.

Dave was truly a gentle man. His warmth, selflessness and generosity of spirit has impacted countless lives. His passing leaves a huge void, but we are all better people for having him for the time we did.

Dave was preceded in death by his father, Steve Baugh, and his dear aunts Linda Martens and Gloria Martens.

There will be a Memorial Visitation on June 12 from 6-8 p.m. at Fellows, Helfenbein & Newnam Funeral Home in Centreville, MD. There will be a Celebration of Life held at a later date.

In lieu of flowers, the family asks that donations in Dave's name be made to Centreville Middle School Band (c/o Heather Fullerton), 231 Ruthsburg Rd., Centreville, MD 21617 or to a charity of your choosing.

“ As someone who had worked at UMD with Dave less closely than others, I can still say that I felt his calm, kindness, and consistency in the way he treated me when I asked for tech assistance. Sending so much love and strength to the family.

“ I had the pleasure of working with Dave for five years at the University of Maryland and am shocked and saddened to learn of his passing. Dave was always a complete gentleman. We had many conversations when I would come into work early and there were few people around. He did always light up when he spoke of his family. We both had two boys and he was clearly a devoted family man and father. He was always good-natured even when the performance of our Chicago Bears could have been improved as we had many opportunities to detail. Such a huge loss of a really decent and nice person.

“ I am so sorry Heather & family to here of your loss. I still remember how the two of you met. Even though we are not as close as we were back in the day, I have loved keeping in touch over FB. You could see how much he loved you & the boys. It is priceless and you & his family are his everything. Love You Dear Friend Always

*I had the pleasure of working with Dave for the past six years. He was known for his calm, kind approach. Yet, he was one of the smartest and effective changemakers, building and revamping entire areas of ops. He was also always the first person to help with any task, pitching in regardless of what it was. His incredibly special presence will be so missed.*
