“ *David Clark, my friend and Centreville High School classmate, will live on forever in my mind and heart. He was made of the stuff that has made this country great. He did that in so many ways. He did it by being a great family man, a strong community leader, and a man who represented the qualities most needed as a citizen of this great country. I will miss my friend, and I send love to his lovely wife, June, as well as all of the family.*
