“ I am shocked and overwhelmed with sadness and disbelief after hearing the terrible news that my good friend Dave Donovan has passed away. We did not stay as close as either of us would have liked but when we did reconnect through text, phone or in person it was as if time stood still and we were back in the Glory Days of our youth. I will never forget our friendship and the great times we shared. My deepest condolences to his daughters and mom in these turbulent times. Give Jimmy a big hug for me and let him know we miss him. RIP my dear friend!

“ Sympathy to Daves family and friends. Rest in peace Dave. Dave was my brothers best friend as young adults and was like a brother to me at the time. I remember jimmy, my other brother in the hosital and Dave being there and lightening the situation and being there for us. He was there when jimmy our brother died too. He was always true and loyal to the Holt family, we will miss you and never forget you ❤️

“ I am at a loss for words over my nephew Davids passing. He was the son, along with his brother, that I never had. His smile could light up a room. It may sound crazy but I saw him last night smiling and laughing. My heart breaks for his children who he loved with his whole being. My heart breaks for his mother who in the last eight months lost two children and a granddaughter. I can not even imagine her pain.

David was a good, kind soul and he will always be remembered in our family as the Merry prankster. RIP David..life will never be the same without you

“ *David will always be remembered for the love he had for his two beautiful daughters. He was so proud of them and always talked about their accomplishments. He was also a very giving person to many of his employees - sending them to classes to learn to speak better English, buying shoes for those that needed them and for giving me his girls' playhouse they had outgrown so that I could relocate a few cats in jeopardy of being evicted from where they were living. On several occasions he treated everyone to dinner and the week after he sold his business, Wet Dog Car Wash, he had all his former employees over for a very nice get together. That was the last time I saw him and it is a good memory. He looked refreshed and happy. RIP David. You will be missed by many people. Thank you so much for everything you did for me from buying me a ton of cat food to giving me your old iPhone, and for giving me your computer monitor that you no longer used because my cats broke mine.*
