

## David Hugh FitzGerald

September 6, 1970 - February 28, 2026

It is with great sorrow that we announce the death of David Hugh FitzGerald, who passed away on Saturday, February 28, 2026, at the age of 55, after many years living with the effects of a severe brain injury sustained in a car accident at age 16.

David was predeceased by his parents, Stephanie and Edmond FitzGerald, and his older brother, Raymond.

He is survived by his siblings Margaret FitzGerald, Deborah Henson (FitzGerald), Mary FitzGerald, Christopher FitzGerald, and Matthew FitzGerald. He is also survived by his nieces and nephews Taylor, Graham, and Davis Knaub; Alex and Elizabeth Henson; and Madyson FitzGerald.

David was a spirited individual. As a child, his bright smile and sense of adventure made him an excellent playmate. He loved G.I. Joe, Star Wars, and building forts in the woods with his sister Mary. As a preteen, it was all Michael Jackson and Prince – from Thriller to 1999. The glitter glove and red leather jacket were wardrobe staples, and his hairstyle reflected that moment in time.

In adolescence, he developed good friendships both at school and in the neighborhood, often turning to them when he had something on his mind that he wanted to share. In high school, he had a girlfriend and started Mirage DJs

with his friend Liam. His entrepreneurial drive and love of music came through as they collaborated on building something meaningful together.

David loved his family, and his family loved him. And together, as a family, we celebrate his life, as we mourn what we imagine might have been for him. These include his contributions to the world and the people that he would meet, the opportunity of marrying, and the good feelings that come from living a life full of growth and meaning. And now we gather to send him off and to wish him well... to be at peace and to be free.

A graveside service will be held at Oxford Cemetery, Oxford, MD, on Saturday, March 21st at 11am.

*The memories and mischief from Oaklands! I will always hold my time in the FitzGerald house, gym, dock, basement near and dear to my heart. I'm so sorry and sad to learn of David's passing but I know he can now be at peace. David was a great friend and our time together as kids can never be taken away. RIP my friend---you have earned it.
