“ David was a very special person to who ever he met. I have known him for 23 yrs. When we were younger he would always be there for me when I needed to yell at someone needed an shoulder to cry on. Or just plain out vent to someone about how life was going. To this day he has always been a true friend and brother. He is the type of person that if you needed it he would give you his last dime or his shirt off his back. He would do his best to help you any way he could. When someone was down in the dumps he would make them smile and bring their spirits back up. There have been many times when I called him because I was so close to giving up totally and because of him I am who I am today. David you will truly be missed.

“ David I have to say you were one of a kind. You were kindhearted and caring. Obviously very devoted to the kids and Bree. I saw you at nearly every event at the school for the kids. Everytime I stopped by you had a smile and a story of two for me. Sometimes I wondered if you just needed an adult to talk to after spending all day with a house full of kids but you and Bree had a lot in common with me and we became almost instant friends. You will be truly missed by many.

“ As we sit here putting your pictures together, we have had a lot of laughter thinking about all the good times we shared with you. I'm so glad I was fortunate enough to be your favorite friend, like a little sister you never wanted!! You'd be happy to know I'm still breaking stuff around the house, but now I have to fix it!! I'm going to miss all of our pranks and jokes. Who's going to call me names and check on me when I'm down? I love you big guy!!! I miss you like crazy, I'll look after Bree and the kids, make sure I'm doing right by you!! Keep showing me signs that you're watching over us!! Fly high Slam!!!

“ Wow what can I say he was the most amazing friend. He always had my back with out judgment. He could always make me laugh no matter how upset I was. He was like the big brother I never had and an uncle to my boys. I was truly blessed to know him. He loved his wife Bree and his children with everything he was. He was an amazing man. He will be missed greatly. I will cherish every memory I have of him.

David though you were only in my life for a short while you will always be remembered. Life takes us to many places and life moved you far away from where I and my family are. I have not seen you since your Mother died but I have thought about you often. I have some contact with your brothers. I will pray for your family. Love and miss you. Aunt Debbie
