Thank you, David!! We should have said it more while he was here with us, however I am sure he knew how appreciated he was. God bless your soul. Rita and Eddie Kulley.*

“ David filled a spot that no one else can fill in this world. He was a great classmate and lived life with gusto. I'm praying for the family to find peace during this difficult time.

“ I only meet David twice, first when I bought his 250 Rebel from him, the second time he came to help me out with the title to my bike. He seemed to me to be a very awesome man, at least in my book. Dear David everytime I sit on my my Rebel you will be remembered.

“ David, you were always a bright light in my life. I am so very thankful that we had many good times together! Ken and I so enjoyed your visit with us several years back. It was a thrill to share my Colorado life with you. Those prairie dogs weren't liking you and Ken very much though. Sorry that you didn't get a chance to ride your motorcycle out here to drive up the mountain in the Rocky Mountain National Park. I know that you really wanted to do that. You know I will be thinking of you the next time we take a ride up there. Thanks for the 48 years of laughs!!! Your sister, Sally

“ Eden and family,
I am so sorry to hear of David's passing. It was years ago when I first met him and it was in drama class. You can just imagine the "trouble" we got into; my favorite memory was his performance as a mime.
My deepest sympathies,
Kathy Elliott
