“ *Brian,*

I'm sorry to hear of your father's passing. I used to see him at Acme in Stevensville where he worked. I frequently stopped there after work, and your father and I would talk. He was quite friendly. I don't know if he remembered me from when you and I were friends.

“ *We are here for what seems to be a long time, but in reality is a very short time. Then suddenly we're gone to a better place. Until we meet again, I love you.*
