“ *So sad taken so soon was half my world and deserved the best of life he will be missed forever. Dave was full of life even through his issues he cared for everyone when he retired he didn't cause Maryann became ill and he was now a care giver that was his life then. Maryann passed felt Dave was on a come back and finally living for him. I'll cherish and he will never part for always in my heart We used to call each brother and he was one of the two family I have left. So sorry for such a great loss of a good man with a heart of gold no matter what.*
