“ Shirley and I send out deepest sympathy to the Tremain family. I first met Dave in the early 70ies and knew right away he was a good guy. He had a buckeye sweater on and was defending Woody's transgressions to all. At the Berry Company he helped us accomplish a lot. He was forever positive and upbeat. He was willing to take on the toughest challenges and projects. We were a better Company because of his efforts.

“ Dave was a mentor and a friend and I had the good fortune of being his teammate in the corporate golf outing on more than one occasion. We joked about being like the Minnesota Vikings because we kept coming in second on more than one occasion. For Dave (and me) second just wasn't good enough.

I will remember the smile and the energy he brought to any work assignment or event he was a part of. But most of all I loved his competitive spirit. It wasn't just with his Buckeyes it was in cards (gin especially), in golf, in making quotas and he has to be the only guy who was responsible for changing a rule in what was the annual Berry Company Co-ed softball tournament.

The tourney was a key part of the Berry culture for many years and Dave would pitch for his team and when I would come up to bat he would throw pitch after pitch no where near the strike zone because the original rules did not have walks. The next year we implemented balls and strikes and he would still not throw a pitch to me and several others within 10 feet of the plate. This resulted in what we affectionately called the "Tremain" rule where a walk to a male resulted in an automatic walk to the female immediately following in the batting order. He of course lobbied against the rule change in the organization meeting as I recall but you had to love his great competitive spirit.

Pat and Meredith and family, I will miss DHT but I feel very fortunate to have worked, laughed, competed against, played golf, lost in cards, etc. I hope you can find peace in good memories of times shared with this good man who had such a zest for life.

He will long be remembered for all the good he did for his family and the community. We have fond memories of the times spent together and will always have those memories to hold in our hearts. Pat, we know you will find the strength to get through this very sad and difficult time knowing your family and friends are here for you and that will hopefully be of solace to you. “ The thing I loved and will miss the most about Dave were his warm, happy, caring eyes. He was always so quick with a smile (what a GREAT tribute photo with his OSU hat and pink bow tie!). We're going to miss you at the poker table, buddy. Know in our hearts that you always were and forever will be a ROYAL FLUSH!

“ *At this greivous time our thoughts are with Pat, Meredith and family. Sadly, after retirement and as age bears down on us, association and closeness fade, but respect, friendship, and heartfelt memories never will.*

Rest in peace my friend and God bless Pat, Meredith and family

“ I haven't stopped thinking all week of that happy couple who bought a house in Easton Village several years ago and began a new chapter of life together in Easton Md. it was my distinct pleasure as Welcome Center Representative to interview this special Couple of the Month for our Newsletter. I was entranced by their special story including the way they met and I knew then they would be a community-oriented fun and lively addition to the Development they were now going to call Home. I wasn't wrong. David became a key person working with other neighbors as well as the Developer to make Easton Village a great place to live. In addition, Pat with her always smiling face and positive attitude was right by his side entertaining, meeting new people, joining and becoming active in their new Church, and in general reaching out and uniting with others. As The psychoanalyst Erich Fromm said, " We are incomplete if we don't share our uniqueness with others." Well done David. I am so glad I got the chance to know you, and My husband and I will always think of you when we hear and cheer for the Ohio State Buckeyes! May you rest in peace.

“ To the family: I am so very sorry for your loss. Please know that God will comfort and sustain you. Psalms 34:18 says that He is near to those broken at heart and saves those crushed in spirit. He truly knows the pain you feel. He assures us at John 5:28 that a time will soon come when we will welcome back to our arms those we have lost. Know that time is very near. Allow God to comfort your soul until that day arrives. Please keep His promises close to your heart. I offer my deepest sympathies to your entire family.

Dave was a Buckeye through and through. Out prayers are with you Pat.

“ We had the pleasure of knowing David during his time in Wilmington, NC. He loved his golf, a friendly card game, his Single Malt, Gourmet Dining and Ohio State Sports. He was a true friend and had a great love for life. He always made you feel good about being in his presence. He was a dedicated individual, serving on our BOT at the Club or working hard on the homeowners association.

Our sincere condolences and prayers for his loving wife Pat and family

“ If there was anything that Dave enjoyed more than cruising top down in his convertible through the gold shot sparkle of a summer day - it was giving his time, energy and talents to help others. After each of his recent medical setbacks he invariably bounced back in his unpretentious yet heroic way. SCORE --- Hospice ---- his Church ---- his family ---- his friends, which I count myself lucky to have been ---- and yes, even his beloved Ohio State Buckeyes were and are the better for it.

Our heartfelt thoughts and prayers go out to Pat and his family.
