“ *I am so sad to have just learned about this. He was a great and kind man. He helped me out with some stuff just 6 months prior to his passing. He was so kind to me and my son and he will be missed.*

“ *David had an exterior that did not match the compassionate soul that lie underneath. He planned, facilitated and hosted a wedding celebration for Jon and I that was both spectacular and warm as he welcomed our friends and family into his home that boasted a serene and peaceful view of the lovely Chester River. His kind inner soul was matched only by his capacity to entertain and make welcome those he invited into his space and the many clients to whom he gave hope and respect despite their circumstances. I know that he is now reunited with his beloved family who he never stopped memorializing on each day of his life.*

Fly with the angels now, David, for you are free of your earthly shackles and resting in the Arms of Our Lord. Amen.

Respectfully,

Michele Stanton

“ David gave me my 1st job as a young attorney and I ended up working for him for about 14 years. I will always be grateful to him for the opportunity. Rest in Peace.

“ Totally shocked. I worked for David 23 years as an employee and knew him 23 years as a friend. He taught me the law and I taught him common sense. Rest in peace.
