“ Beth, Jules and "Son David" and families: I send all of you my deepest sympathy at your time of loss. What wonderful parents you had...and what wonderful children they had! I am so blessed to have known all of you. Your Mom made our ER times some fond memories. And yourDad- well I don't think I've ever met a more brilliant man! Though I know there are 2 large voids in your lives without them, rest assured that they are happily rejoined and Mom Liz is now resting peacefully knowing where he is and that he is safe. I know she wants all of you to carry on in happy lives. My love to all of you!

“ Dear Beth & Family,

I will never forget Dr. Donovan. He was the pathologist who diagnosed my Hodgkins' lymphoma in 1986. Dr. O'Connor was still suturing up the biopsy site when I saw your Dad at the window (then) of the OR. I had known something wasn't right and had asked the Lord to allow me to live long enough to raise our son (now 27!); and Dr. Donovan was one of the people the Lord used to answer yes to that prayer. I will always be grateful.##imported-begin##Lee Beck##imported-end##

“ Beth, Julie, David & families,
We were so sorry to learn of your Dad's passing. He, as well as you, have been on our minds and in our prayers. Dr. Donovan will always hold a special place in my heart, as did Liz. It must be so hard on each of you to lose both in such a short period of time, and we are sorry you are facing such a difficult time. We know their memories will give you great comfort... plus, knowing they are together again must give you peace. May God bless each of you and give you comfort.##imported-begin##Dave & Kathy Simmons##imported-end##
