“ *I was saddened to learn of Mr. Kirsch's passing. It was only Today when I attempted to contact b him for appliance service that I discovered the news. He had done work for us numerous times and it was always a pleasure to know that the work was being done well, and by someone with honesty and fairness as part of his business practice. I recommended him to many because of that. Please accept my thoughts and prayers - to you, his family and friends.*
