“ I had the privilege for several years of working at the St Luke's breakfast with Dave. We cooked and served breakfast to any and all, while discussing the current topics of the day. Dave was a gentleman in every sense of the word and had a great sense of humor. He was kind, thoughtful and a person of the highest character. He will be missed.

“ *To the Campbell clan,
I'm so sorry that I couldn't get up there today for the services.
Please accept my sincere condolences for your loss. I, and many others, will always have such fond memories of coming out to the house, playing pool in the attic, volleyball in the side yard, and always being made to feel 'at home' when we were there. Y'all are most certainly in my thoughts & prayers, and you have my best wishes for continued strength and comfort in these coming days.*

What fond memories I have of Dave, He helped us out with the meal deliveries and always willing to help out wherever he was needed. I will truly miss this gentle giant & the hugs he used to give me when he would see me out somewhere. Like Jane said hope he finds the golden bike path so he can ride forever. Thoughts & prayers to the family I know he will be truly missed by all that knew him.
