*Dawny, which was how I always addressed her, was so sweet and fun to talk to. She always made me laugh and I use to get tickled when she would whisper something in my ear to get me cracking up right before I had to approach a table. She would always talk about her pets and how much she just loved her parents, and about her husband Wayne. That woman had so much to envy because she gave so unselfishly of herself. I believe what goes around comes around. Dawny, you are about to cash in big lady. Save some fun for me. You are forever in my heart, be at peace finally. Love one of the M&M's,
Monique*

I worked with Dawn for many years at Red Lobster. I was so sad to hear about her passing away. We laughed and joked, she made our time a work more enjoyable. I hope she rests in peace.

*“ To the family,
Please accept my heartfelt condolences for your loss. In John 5:28,29 it talks about the resurrection hope; a time when loved ones will be raised up back to life to conditions free from sickness and death. Yes, a time when loved ones like Dawn will come back to life. Almighty God who cannot lie has promised to do this.
I know i cannot quench your sorrow; but i do hope that this scripture comforts you.

“ I will always remember Dawn and the fun times we had in High School as well as those memorable CYO dances in Galena. We lost touch for many years but I was fortunate enough to run into her many years later during my many trips to Red Lobster in Dover. May you rest in peace now and my thought and prayers go out of all of those left behind.

Classmates forever,

I remember my first job was Red Apple Ice Cream Parlor. Ms. Mary Lee was the owner. Dawn and I had so many good times during work and after work. It's just hard to beleive that old friends do not keep in touch then when something like this happens you wonder what they had been doing since you last seen them. Thoughts and prayers for the family
