“ My prayers are with the entire family. Dawn and I lost touch after
high school but, I have great memories of our friendship, especially
playing together in the neighborhood during elementary and middle
school.

I'm sorry that your family can't hold a service now and hear
memories and feel the support of family and friends. I pray that God
grants you peace and strength.

“ I will forever remember her beautiful eyes and how it seemed she was looking right into your soul. She really listened and cared about people especially her parents. She told me more than once how much they meant to her and how much they helped her over the years.

She will be deeply missed.

Sending prayers to her family and friends.
