Janet, I didn't personally know Dean, but Joe remembers him from the days of 4-H. They were also "CB" buddies, back in the day when CB radios were popular. It sounds as though he was a jokester who loved to laugh, and it also sounds as though he loved his family immensely. We are so sorry for your loss. Joe and I have made a donation to the Alzheimer's Assoc in honor of your husband.

I never knew Dean however if a son is a reflection of the father, I know that Dean was an incredible man.

I have know Dean since my childhood. He was good friends with some of the neighbor kids and we all ran in and out of the same house. Always happy and joking around. Never did I see him of he wasn't smiling. Later he married my best friend from High School. I knew they would be the perfect pair. I am so saddened by his passing. He will be missed by all that knew him, especially his family. God grant them peace and may God grant him eternal life.

To Janet and family, I am deeply saddened to hear the news of Dean's passing. Dean and I got to know each other during the summers while I worked at State Highway Administration during my college years. He was such a pleasure to be around and there was never a dull moment because he kept me in stitches. I can remember him attending the Class of 1977's 20th class reunion. I would not let him off the hook until we danced. May God bring you all comfort in the days and weeks to come.

Dean was my high school classmate in 1974. I remember going to the High School class picnic at Drayton Manor. Dean pick me up and threw me in the pool with my great outfit I chose to wear to the picnic. I will never forget that. I laughed after climbing back up the pool ladder all soaked. At the last class reunion, I saw Dean and said to him "Are you going to throw me in the bay? Our reunion was held at the Harbor House in Rock Hall. I will miss you Dean and your funny pranks and sense of humor.

A bright red candle just for my cousin Dean! He was a bright spot in everyone's life that knew him and had the chance to get to know him. He was one of the most awesome people I have ever known! The last memory I have of him was sitting on Aunt Vonda's porch eating crabs, laughing and joking and having a good time. I am just glad I got to spend the time with him that I did, and wish I could have spent more! I hate it that we all live so far from each other!
