“ Debbie was always so much fun to work with. I have many memories of our days at Poseidon. She was constantly in motion; working hard and keeping everything organized(Kenda is exactly the same way!). Later when she came to work at Annie's, Mike and I were so lucky to have her. Condolences to Kenda and her family.

“ *Many condolences to the Dulin family. I was so saddened to hear this news. I hope that your fond memories will guide you through his difficult time. A few of mine include our time on sports teams, the intermingled world that young dating creates, but my favorite will have to be the picture that my mother has in her scrapbook of Jean and Charles Shumaker's wedding where Debbie was the flower girl. May God Bless and Keep You!*

“Wow, don't know where to begin. Debbie was my first friend. Growing up, every Friday night was spent together while our parents were playing cards. There was Billy, Connie, Gordy, Larry, Debbie and myself. We tried hard to stay out of mischief. Then in 1970 we graduated and life took me to North Dakota for 8 years and we grew apart - but always touched base when home on leave. For a few months we moved back home to Centreville. While there, I worked for Clark & Clark until we reenlisted and returned to North Dakota for 4 more years. I mention this only because I was saddened to learn about Johnny. Mom made sure we got together with the Dulins and that is when I met Kenda. I have lived in Florida thirty years now. Have seen Debbie four times in that 30 years. Funerals of my Mom in 1993, my Dad in 2002, Gordy in 2012 and Larry this past November 2013. I will not be up for this funeral of my first friend in 2014; however, I will be there in spirit. My love and prayers go up to Kenda, Mr. & Mrs. Dulin and Connie.
