“ *My thoughts and prayers go out to Debbie Tambourine's family, I had the pleasure of hiring Debbie in the 80's at Kentmoor Restaurant. Her work ethic was impeccable, my wife Debbie and I have fond memories of her as well as all the girls back then. Debbie was happy, warm and friendly to everyone she met and knew. P.S. also a great sense of humor we needed it back then! God bless, Spencer and Debbie Clarke*

I didn't really know her like most of you do, I just remember going to Luke's and her always waiting on us and just being so welcoming and friendly. It's going to be sad not seeing her there anymore. Thoughts and prayers to her family, we are surely going to miss her.

Such a wonderful person gone much too soon. Luke's won't be the same without her. Never failed to greet Ray and I with a smile at Luke's or when I would see her in our neighborhood. Loved her scratch off tickets with an after-shift drink, often buying a friend a drink. Quick with a smile, a story or a helping hand, God must have needed her in heaven. My thoughts and prayers are with Richard and her family.

“ I still share the story of our time working together at Kentmorr in '89 when there were sounds of a kitten coming from the Kentmorr kitchen. I went up on the roof and after John and "T" shut the exhaust fan down I was able to fish a kitten out of the exhaust fan shroud just covered in grease. You took the little guy to the vets, got him cleaned up and checked out. You took him home as a rescue kitty. I can't remember if you named the lucky, little guy or used the name I gave him of "Greaseball". I was so happy the kitty was going to a good home and a great owner. God Bless, Deb, as we will miss you.
