I worked with Debbie at Easton Memorial Hospital starting in 1990. I loved working with her - she was always upbeat and smiling. She adored Donnie and Jason and frequently spoke of them. I really admired her for having such a loving family. The news of her passing is heart breaking - I will really miss her! Prayers for the family. Mary

Frank and I were saddened to hear of your loss of Debbie. I have known you since before you were born. I was working for Dr. Layton when your Mom. was Pregnant. Poor dear she vomited everyday. Your Dad used to bring her in every week for a shot to help her nausea. Frank and I Graduated with your Dad so I feel you have joined them and will now be an Angel watching over your loving Family. I am so happy she got that trip to Hawaii, she loved it so much. Condolences to your Family and Friends.

So shocked and saddened to learn of Debra's passing. We enjoyed 4-H together many years ago and just recently reconnected on FB. I chose to send this virtual gift as Debra was like a gardener bringing joy and smiles to those she interacted with. RIP friend. Prayers for the families loss. She will be greeted with loving arms in heaven.

“ My condolences to your family. Debbie was one of us ole girls, the “non traditional” as we were called back then, from the evening/weekend program at Macqueen Gibbs Willis. We spent many evenings over cream cheese bagels in the old snack bar at the hospital. Also a FB friend, I know she adored her family. Rest In Peace, my friend.
