I met Delia a little over 30 years ago when I was invited to join the Easton Bank and Trust team. Delia was warm and welcoming to this “woman from the western shore”. As we said in our tribute book to Delia, I think it was her 80th birthday, by knowing Delia our lives have been changed “For Good”. Miss you my friend. 💕

“ *When I first returned to Easton to practice law, Delia stopped by with the gift of a form book published by the MNB for wills and trusts. Later she served as the treasurer for one of my campaigns. I always enjoyed talking with her when our paths would cross. While she was both competent and professional in a work setting, she was a genuinely nice person in all settings. My deepest sympathy to her family and many close friends.*

“ I was just a teenager when I met Delia and she was a very young woman. She was attending the Safe Deposit desk at MNB. I was with my grandfather and he introduced us as cousins. I also worked with her at both MNB and EBT. She was always professional but cared for each of us personally. We both had a fond childhood memory of homemade caramel cake, which we shared at MNB birthday celebrations. Delia was always so proud of her family. I am thinking of you in sorrow and sympathy.

“ I am so grateful for Delia and her friendship with my mother. Delia brought out the best in Mom and was always there for her with unconditional love. And she was a touchstone of beautiful memories for me after my mother passed. I cherish our time together (Las Vegas with the “Hot Mamas” - Shirley, Delia, Marjorie, and Bettie) along with the belly laughs we’ve shared. I will miss our calls. She always told me stories of her family and about how proud and grateful she was for all of you. Delia is a legend! I’m so grateful to have known her!

“ I have known Delia over 50 years having met her through our mutual banking careers....we took a trip to Las Vegas back when I was about 26....Delia being older and wiser, and another mutual friend Susan Murphy....what a time we had....so much so that Delia had “pictures”.....she told me I had to “behave” or she would “share with the world”....finally about two years ago she gave to me...”harmless”....but our joke. My best memory was her compassion and patience she had with my brother, Michael. He would call her his personal banker and would spend hours chatting with her....their relationship was so special.....I thank her for all the wonderful times we share, never enough, but always special....I will miss her 😞

Ms. Delia was one of a kind. I remember chasing her boxers from their house, to the Dudrow farm many years ago. I will never forget going to the chicken houses with Sarge and Granddaddy to see the chicks. She was a wonderful soul. Thoughts and prayers for all of you.

“ I was blessed to be in Delia’s family since I was fourteen years old. She was always kind to me. She has been a great Nana to my children. She was able to make it to Katelyn’s senior art show last May, and Tobi was able to spend one on one time with her just last week. Fly high Nana until we meet again. We love you!
