“ I am sorry to hear that Mrs. Delores A. Jester had passed .. She was like a second mom to me and mommom to my kids .. The whole family meant alot to me if you need anything John , Ava and Virginia or any of the kids please let me know .. I seem her a couple days before she passed in the hospital and i sat with her and talked about how much i missed and loved her and the family . She also talked about her kids and grandkids how much she loved them and missed them .. John if you read this your mom was so happy u stood by her thats what she told me. She loved u all so dearly . And would change u all for the world no matter what u all been through .. She was a loving and carinmg person ..

God looked around his garden, And found an empty place. He then looked down upon the earth, And saw your tired face. He put his arms around you, And lifted you to rest; God's garden must be beautiful-He always takes the best. He knew that you were suffering, He knew you were in pain; He knew you would never get well on earth again. He saw the road was getting rough And hills were hard to climb So he closed your weary eyelids, and whispered, "Peace be thine." It broke our hearts to lose you, But you didn't go alone, For a part of us went with you, The day God called you home##imported-begin##Donna Ruth##imported-end##
