“ Thinking of you. I think I miss Denise’s smile and her laugh the most. She was a good friend and another of the great “Talley” cousins. Will think of her often and miss her terribly.

Denise was like our little sister. I use to drag her all around with me. She had a great smile. Use to hear her laugh and I would just laugh. She always told me I worried too much. I know she was right. I think I took after MomMom Talley. I will miss you forever. You have great company up there. Watch over us . Love you miss you so much. Till we meet again my memories will have to substain me. We all missed you at the family reunion. Love you💕💕😭😭💕💕😭
