“ *I have some cherished memories when I was young with Uncle Dennis! I remember crabbing on the Chesapeake bay as a young child with Dennis, having a great crab feast with the family and ever enjoying his generous smile. He had a charming soul and as much love as he gave us we wish to send back to your family in this difficult time.*

My deepest condolences to Janet, Dawn, and Lynsey. Prayers and love sent out to you all, if there is anything you need please don't hesitate to ask.

*Love and prayers,

“ *One of my most fond memories of my uncle Dennis is crabbing behind Mimi's house. He taught me how to crab and I learned a love for it all because of him. He will be greatly missed by us all. We will miss you Uncle Dennis-Rob Barron*

“ *Janet, Dawn and Lynsey - Cindi and I want you to know that our thoughts and prayers are with you at this time. As you know, our interactions with you and your family go back many years, back to the years when Dawn was a student of Cindi's, through all of the years at TRP, working with Dawn and Dennis in the ring and watching Dawn grow into a confident horsewoman, and to the many times that we ran into each other around town and at the fair. I enjoyed having the opportunity to chat with Dennis over the years as we walked around the ring and helped the riders. I was pleased to have developed a friendship with Dennis over the years at TRP and admired his dedication as a father to making sure that Dawn got to participate in the horseback riding that she seemed to enjoy so much. Please let us know if there is a charity that Dennis was fond of, so that we can make a donation in his name. Fondly, Barry and Cindi Diamondstone*

“ Dennis will be missed but not forgotten, he was an exceptional cook and an incredible storyteller, a modern day Mark Twain who prematurely left us. May his family and friends embrace their memories of Dennis which should bring a slight smile to your heart and face.
