“ *Our thoughts and prayers go out to your family. Not enough words to express how sorry we are, hold onto all your memories of Dennis; we will do the same. We will never forget him, we have known Dennis for over thirty years and his was the most wonderful person we have ever known. Dennis was always getting my husband to help him with his john deer lawn mower, they had a great time together. The last two summers when we would have crabs, I would call Dennis to come over and enjoy them it us. We will miss that this summer. Keep him close to your heart and we will too. We loved him and we will miss him. Thinking of you and your family.*

Dennis was like a big brother to me. He was such a ball of laughs and a bundle of joy! We shared so many great memories together, everyone as a family, because that's just what I felt like with the family as a whole. May God continue to bless and keep you all in this time of loss! I miss and still love you all! Sorrowfully submitted

“ *To Dennis' Family,
Tom and I extend to you our deepest sympathy.. Dennis was our Prudential Agent. But, he was much more to us. When he had an appointment to see us at our home it was excitement for his company. We just loved it when he came. He was like family. He was a wonderful person with so many fine qualities. We trusted him in everything he said and did. I know he will be missed so very much by his family and his loved ones and friends, With sympathy and love to all.*

“ Praying for the Sheehan family during this difficult time. I knew Mr. Sheehan through his sons. I didn't know him well, but he was always very sweet to me and made me feel so welcome when I was around. Prayers for peace and strength ❤️

“ Dennis was like a brother to me, Growing up in Wheaton Md was not always fun. People back then were not the most tolerant of others and many acted out, Not Dennis; he was always a kind loving and fun person. Dennis could never speak ill of anyone even when he was hurt. There was a trio, Dennis, Eric and me; we were like the three musketeers. We were each other's rock, we played whiffle ball together, hot box, roller skated and rode our minibikes together, We looked out for each other and would never let anyone get in-between our friendship. This went on throughout our lives, I remember when he moved to Manor Country Club we had so much fun, he met many new friends but we always had a special bond. See we were only 3 days apart in age and it seemed we had the same kindred spirit, both sensitive and caring but Den seemed more respectful to other people than I ever was. I remember Den and I running the roads in Manor CC in his Volkswagen square back station wagon. Once we tried to see how many people could fit into the VW so we convinced a dozen friends all female to get into the car, Trust me Neither Den or I were complaining lol we had 12 people stuffed into that car and we actually drove to the clubhouse lol Den was always fun and he never ever showed anyone anything but love and respect. Even though years went by and we didn't see each other our bond was never shaken. Throughout the years we came together and always enjoyed each other's company. True forever friends. I loved Dennis Sheehan and I knew when he was sad, when he felt hardship and when he was happy. I can say this without equivocation; Dennis loved his family and would give everything he had and then some for them. He was so proud of his Sisters especially his little Cristin and her boys, Dennis was the most proud of his two boys and his lovely daughter, all he ever wanted was to make sure they were ok and in the end he knew they would be. I have to say one more thing, He loved his wife Mellissa and I know he never ever stopped loving her. Dennis was the most caring decent person I have ever had the privilege to know. I have so many memories of him, his days at St Johns, his first girlfriend and his incredible ability to make

people love him inside. Dennis will always be a part of me and I will never forget our friendship. God Bless you my friend!

“ *I have so many wonderful memories getting advice and hearing stories from him poolside, next to the bonfire, or even just sitting around the dining room table. He will be dearly missed and fondly remembered, always.*
