“ *I am deeply saddened by the news of Mr. Covey's passing. As Denny's childhood friend, I remember Mr. Covey being instrumental in getting us interested in baseball and keeping us out of trouble. We played almost ball almost every night in the Covey's backyard "under the clothesline." Sports was a way to help us grow into the people and leaders we are today. Thanks for being there and making a difference.##imported-begin##Brad C. North##imported-end##*
