“ My kind nephew my heart is breaking I will always remember your Houdini acts getting out of the car seat on our journeys together when you were a toddler. We would have to pull over and belt you back in only to look back to see you were out once again.. whenever we played a board game you would cheat and when I caught you you would just smile and say no I didn't..then you would flip the board over and walk away. I will never forget how your picture lit up at the end of the service. I hope everyone in the church saw your light as there was a full house . The picture slowly lit up from the bottom up until it was fully bathed in light. Until we meet again, love you to the moon and back.. Aunt carol

“ *Derek’s bright smile and warm spirit made a lasting impression on me after only meeting him twice. I truly enjoyed witnessing the sibling love between Derek and Krystal. It was in the way they spoke to one another, the way they laughed and joked; and outward affection they expressed. My loving thoughts and prayers to you Krystal and your family.* ”
