

## Diane M. Hurst

September 18, 1958 - November 18, 2024

Diane Marie Hurst, 66, of Church Hill, MD passed away on November 18, 2024 at the University of Maryland Shore Medical Center at Easton.

Diane was born in Bowling Green, Kentucky on September 18, 1958. She lived many places on the Eastern Shore, as her family moved with her father's pastoral career. Diane earned her degree from Wesley College to become a Registered Nurse and spent her career in a variety of nursing positions.

Whether it be through her nursing career, checking on neighbors, or bringing treats to human and doggy friends alike, Diane led a life of helping and caring for others. Many are quick to say she gave the best gifts and was the first to think of her loved ones on special days such as birthdays or anniversaries.

Diane was preceded in death by her two sisters, Debbie Hurst and Suzanne Krebel, as well as

her parents Donald and Mauvette Hurst. She is survived by her son and daughter-in-law, Michael and Marina Hurst, of Houston, TX, their daughter Emersyn; her brother and sister-in-law, Scott and Ashley Hurst of Sykesville, MD; her uncle and aunt, Steve and Rose "Dobbie" Hurst of Cordova, MD, and her Shiba Inu, Mia.

A Celebration of Life will be scheduled for 2025. In lieu of flowers, please consider a memorial donation in Memory of Diane to Compass Regional Hospice, 255 Comet Drive, Centreville, MD 21617.

*To the family...I knew Diane very well and her parents. She was an awesome nurse to my parents, as they were both down at the same time. She would come in the late evening and bring Michael with her and of course my mother would make sure I had bought plenty of ice cream and snacks. She will be missed by many and her love for others was of the charts. Prayers to the family at this time and God Bless all of you. She will always remain in my heart.
