September 8, 1939 - August 4, 2024

Diane Luconi, 84, of Chester MD, died on August 4, 2024. Born In Manchester, England, she was the daughter of Cal and Irene Clayton and the sister of Tricia. She married her love, Manlio Luconi, and moved to the U.S. in 1964, where they lived in MD and NC. Before retirement, she was an assisted living caregiver and manager in Carroll County MD. Diane was a cheery, welcoming, and compassionate woman who quickly made friends and embraced them as her extended family. She was an inspirational and irreplaceable mother, grandmother, great grandmother, and trusted friend. We miss her dearly, have etched her light and smile into our memories, and trust that our Lord welcomed her with outstretched arms.

Surviving relatives include Diane's daughter Franca, daughter Gianna and husband Don Senerius, grandson Scott Senerius, his wife Paige, and great grandchildren Clara and Desmond.

“ *Franca & Gianna,  
Just heard from Cathy about your mom’s passing. My thoughts & prayers are with all of you. May your mom rest in peace with the Lord. She was truly a wonderful person who made friends with all. I’ve certainly missed her friendship & honest wisdom at the pool since y’all moved away, but feel blessed and honored to have known her. Many memories of such a lovely lady! Peace be with you!*

“ *Franca and Gianna and family,  
What a lovely lady your mother was. Her bright spirt led her through life. She passed on her kindness to her beloved daughters. My memories of Diane go to River Landing where she could be found poolside if there was no thunder. She shared her fondness for cooking, and caring for others. May you find comfort that others share your sadness. Now she's reunited with Manlio, the love of her life. Blessings, Darleen Weller*

*My deepest sympathy on the loss of your mother. She was a great neighbor and friend for 19 years. I so enjoyed our visits on the front porch after walking my dog, Bob. He loved stopping by too for the attention and treats. I will always hold great memories of Diane in my heart. Spending prayers and hugs to the family.*
