“ *To this day, and especially each year as the holidays approach, I remember the annual search for where Diane had hidden that year's stash of Christmas presents and Holly's birthday presents...we would wait until left alone during a run to the store or an errand, and then search away...she was always wrapped and ready long before most people had even begun their shopping! She always had an unflappable demeanor whether we had come in muddy from romping through Blueberry Acres or come in late in high school. Even when caught in the act of jumping on JoAnn's waterbed, she was always so composed! My thoughts and prayers are with you girls and your families.... much love,

“ So sorry for your loss Jo Anne and Holly and family! Such a wonderful person your mom was...very fond memories of working high school PTA snack bars with your parents and laughing the whole time! Also memories of her working with my dad...never knew she was in pain, always had a smile, and was always so nice! She is finally pain free and with your dad (and my dad) up there laughing! Thinking of you!

“ I am sorry for your loss of your mother. Her beautiful eyes were unchanged through the years. Your Mom was good company for my mother at Homestead mealtime, she had a quiet sense of humour.
