“ *Where do I even begin. . .Dianne was a very special lady and I am so thankful for all she shared with and taught me. She was always there for Ashlie and myself no matter what, I knew I could always go to her and she would help me through whatever was troubling me or help me through a difficult time. If it weren't for her, Herbie and the rest of the family there would have been a lot I couldn't have given Ashlie and I am so thankful for that. Although I moved on with my life she and everyone always still included me with family events and always treated me as family and I will always love her and all of you for that. After losing my own Mother at such a young age and although she was not my biological mother she was and always will be like a second mother to me. Thank you Herbie, Lisa Ann, Holly, Hope, Jill Marie and the rest of the family for allowing me to be a part of your family now and always. I Love You All Very Much. Dianne, I love you and will miss you immensely.*

“ *To all of the Dyott family, we are all so sorry for your loss. I remember her as a wonderful grandmother at all the chesapeake christian school games. She always made me laugh! She was a cherished mother as evidenced by the wonderful, kind and loving children had. Mr Dyott's devotion to her during her sickness, tells me she must have been a wonderful wife I am glad to have known her. I know there are no comforting words, but I know it must be of some comfort to have had such a wonderful woman to miss. Fondly,

“ *To family and friends:*

The scriptures can comfort us during these difficult times. Acts 24:15 gives us hope that there is going to be a resurrection. What a joyous time that will be! May the God of comfort who comforts us in all our tribulation be with all of you.
