“ Our family was deeply saddened to hear of Bonnie’s passing. We take comfort in the thought that she with our Lord now, liberated from her debilitating illness in a new body in a dementia-free heaven.

Karen, your mother was incredibly blessed to have you by her side, even when her dementia progressed; you made sure she had each day something to look forward to. It is always sad when we lose someone whom we care for deeply, and we are saddened by her passing, but relieved for both of you the painful struggle had ended. Please accept our warmest sympathy and may you find peace in your memories.

“Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand.” Isaiah 41:10
