“ To Delores' family: I knew Delores for many years, as I worked with Mr. Starkey in the Court House. He and Ms. Florence were such wonderful friends and citizens of Queen Anne's County. Delores was in Corsica Hills at one time the same time as my father a few years ago and we became close and I kept in touch to see how she was doing. I was saddened to learn that she had passed. My prayers and sympathy are with the family at this time. God Bless. Lynda Palmatary, Centreville, Md.##imported-begin##Lynda Palmatary##imported-end##

“ Dolores and I were like sisters and we spoke of it many times. She and I enjoyed so many of the same things. We talked on the phone almost weekly, even though we were 600 miles apart. I met her the 1st time when she came with Nick to visit us in Greensboro, NC before she and Nick married. We liked each other instantly and it was just the beginning of a wonderful life long friendship. We were fortunate enough to not only enjoy each other; but to meet and spend many happy times with each others parents. I will always remember the laughs and fun we had together. She will be greatly missed! My thoughts and prayers are with her other family members. Love, Doris Chapman##imported-begin##Doris Chapman##imported-end##

“ Dolores had a zest for life that couldn't be matched. She loved deeply, and was loved deeply. Her laugh was contagious!!! I am going to miss her so very much. Even though I have always lived 600 miles away, we always kept in touch. I was 10 years old when I first met her, some 45 years ago. When she married my Uncle Nick she quickly became one of my favorite aunts. I always called her "My Dear Sweet Dolores." We spent many wonderful, unforgettable vacations with them. Once Nick passed, we continued to visit Dolores each year until my Father passed 4 years ago. My Mother, Aunt and I was able to make that 600 mile trip again 2 years ago and was planning to visit with her again this fall. Even though we won't get to see her again, her love and laughter will always be part of us. Until we meet again, she will live in our hearts. Her loving niece, Kathy###imported-begin##Kathy Lynn Chapman###imported-end##
