“ I will always remember a day, a few years ago, when I had been very ill. Dee came to visit me. We chatted. She prayed with me and for me. Then, best of all, she sang for me --those dear old hymns that she and I knew and loved. Her beautiful lilting voice did more for me than any medicine. so typical of her wanting to share her love of the Lord and her concern for others. I will remember her in my heart. Love you Dee ! “ Randy and I always enjoyed our time spent together with Tom and Dee. Her Christ-like love for everyone is to be admired and emulated. We spent many Sabbath afternoons on 23rd street in Ocean City sharing in their ministry. She could start a conversation about The Truth with the utmost skeptic, and have them walk away with a seed planted! May you all find comfort in the days and weeks ahead, and may we all look forward to The Day of The Blessed Resurrection!

“ Going to Tom and Dee's on Saturday evening was such a big thing when we were teenagers. Dee was always so kind to us young girls and she seemed so young that we could easily talk to her about anything. She and Tom hold a special place in my heart. God bless you, her family, and I pray for strength for you to get through this difficult time.

“ . We were so saddened to hear of Dee's passing. She will always be remembered as such a very special lady. She was one in a million and treated everyone with such respect, care and concern. She was so wonderful to our family and was a big part of our childrens' lives as well as ours. No one could work as she did and do it with ease, grace and a smile on her face. She made life look effortless and made you happy to be in her presence. May God's love and many beautiful memories sustain you all. We loved Dee.
