“ Your friendship meant so very much to me. You were like a sister that I never had. You have been a precious part of my life for a long time and I know that we will always stay that way because when a friend as close as we were, we were like family. We will always be together in every way and we will be together again in our second life. I love you and so does Bill. Our prayers go out to all the family. “ We were lucky to meet Dee and Bernie in Florida when they stayed at the Tahitian. She would come out everyday with a different bathing suit. She loved the sun and spending time with everyone. Dee always talked about her family. Bernie of course would tell his jokes and Dee would look at him and say oh Bernie. You are in our thoughts.###imported-begin##Ann and Tunk from Vermont###imported-end##

“ Valerie, I have cherished finding you once again in my life. We have both suddenly had to experience the loss of our parents. It never goes away and some days we think I am going to call mom or dad, but then reality gets us. They have gone home and to a better place. Sometimes that emptiness in our lives is hard to bare. I am here for you and I have all your family in my thoughts and prayers to. Remember all the wonderful things you shared with your mom as nothing can ever take that away. Love to you all in this family, hold on to each other and know your she will be watching over you. ##imported-begin##Michael & Jenny Trainham & Family##imported-end##
