“ This happy picture is how I remember Mr. Ayers! Susan was my college roommate, and one weekend Mr. Ayers visited Susan - during his visit he helped me with my investment class homework and to this day based on his 1985 recommendation, I still invest in Vanguard! More memories of all of our college roommates visiting Mr. Ayers at the Ayers place in Cape Cod decades ago, relaxing and laughing together. Rest in Peace and Grace Mr. Ayers, a memorial gift to the Easton Fire Dept in your name is on its way.
