Don - Thank you for your service to our country and to education. I appreciate your guidance during my year of student teaching and serving on the GCC Trades Advisory Committee. Be with God and see you on the other side.

“ Growing up in Riverside, next door to the Ney Family was a blessing. Don and Hilde's friendship, joy of life and guidance were a big part of my youth. I have always been grateful for their wonderful relationship with my parents too. In 2008, I had an opportunity to visit them at their home in Maryland. I carry with me fond memories. From everyone in the Tieman Family, our deepest condolences.

“ We were blessed to have known Don and Hilde for a short time in Quartz Hill, CA. They visited our church and became active members immediately because we loved to sing in the choir together, play pinochle, get together for many activities ie singing for Octoberfest celebrations all over the Valley, walking at the mall, even traveled to Germany with them to visit Hilde's family and seeing the tourist sites. We got married the same year they did so went to MD for their 50th and they came back to celebrate with us. Don was a steadfast Christian who gave witness to his faith, therefore we rejoice that we know he is in heaven celebrating Christmas with His Savior, Jesus Christ.
