“ *It's not easy to pick a memory to share as there were so many. Quite a few of them are on the farm, whether it was for the Moore family reunion or just down there to visit. At 93 I would have to say he lived a good, long life. Although you could tell his health was failing he was still the same "Uncle Donald". He will be missed but he is now reunited with Aunt Catherine, how wonderful is that?? Love and hugs Donnie.*
