*Sorry to hear of your Dad's passing. " Duck" as we called him worked for my Dad many many years on Meadowbrook, Chestnut Hill and Spaniards Point Farms. He was a hard worker, very dependable. He could fix anything. My Dad thought a lot of Duck. May the Lord give you comfort in the loss of your Dad*

“ I hadn't seen great Uncle Donald for three years now. When I would visit the nursing home on Thursday nights he would always be tickled to see me. When I asked if he knew who I was, he would smile n say "yes, you are Audrey's daughter" family has really gotten thin.....now a days we never spend time together.....to busy with our own lives.....RIP Uncle Donald...enjoy that family reunion with your siblings.....
