“ *Today I found out that another Angel went to heaven. I am so happy to have known you and that we were able to share so many great times at work. The debate would always start and finish with whether to paint the room before or after the deposit. I will always cherish the memories I have of you. You were a great person. I am so happy you moved back to MD and was able to enjoy you son, wife and grand-child. May you soar high above the clouds and silver lining. You will truly be missed. Rest in peace Don and I know you were welcomed in Heaven by your dear sweet daughter.*
