“ *Donnie will always be in my heart as the free spirit who followed his own path. He loved all his nephew and nieces, to ride his motorcycle, draw, play his guitar and was a champion wrestler. He truly will always be in our hearts.*

“ *Donnie was the youngest of eight. Our baby brother. The most gentle young child/man and was always good with children. His love for music and drawing kept him pretty busy. We will all miss his laugh and his gentle spirit. Fly with the doves brother. I love you!!* ❤️

“ *Donnie was not only my brother, and childhood companion, he was also my wrestling partner. He was the toughest wrestler I ever had to wrestle. He was a tough competitor! He was a lifelong best friend. I will miss my little brother and one of my true heros.*

“ *Uncle Donnie was a truly special man. He had a great sense of humor, and great taste in music. Donnie was also my godfather; I was named for him. He was creative - whether burned/carved wood designs, string art or strumming his guitar, he was always involved in something to bring a smile to everyone's faces.*

*Rest well with the angels, Uncle Donnie.*

*Love,*
