He was the best brother anyone could ask for. I grew up with him, out of four children, he was the only one home to pick me up from school on snowy days, played games and always there for me, Love you, miss your Don Don

“ *We remember Donald from my days attending St. Michaels Elementary and High School in St. Michaels MD. I was in the same grade for a time as Donalds brother Paul and a couple years behind his sister Jean. God rest his soul.
