

Donald Roy Young

October 7, 1935 - April 20, 2026

We never wanted this day to come. I can hear the call of a lone goose gliding over San Domingo Creek as if saying goodbye to a man who had admired the beautiful birds from afar for most of his 90 years. This sound is synonymous with the Eastern Shore of Maryland - a place Don Young truly loved.

Though an eastern shore man through and through, Don was born in Belfast, Pennsylvania in 1935. In 1940, on the brink of WWII, the family moved to Elkton, MD where Don's father worked in a hosiery mill and served time in the Navy, before opening Hershey's Store with his wife, Gladys. Don, his brother Duane and sister Sharon all chipped in to run the family business which became well known for the best subs this side of heaven. Don graduated from Elkton High in 1953 where he still holds many records as halfback for the football team. He even played the trombone in the school band! From there he entered the School of Pharmacy at the University of Maryland graduating in 1957. He met the love of his life, Joyce Waldrige, on a blind date in 1956 and upon his graduation they were wed in Newark, Delaware. Joyce was his soulmate, business partner, and loving mother to their three children, Donald, Lynda, and David. In April 1964, Don moved the family to St. Michaels, Maryland purchasing Hudson's Pharmacy. This too was a family business with his three children and parents, Gladys and Roy Young, joining the crew.

In the small town of St. Michaels, Don was known to so many as "Doc Young",

and he responded to that title with compassion and pride. With Joyce he created a business that was THE gathering place in town. The Cove restaurant was popular with locals and visitors alike, many returning year after year from far and wide. Don and Joyce were well liked and they worked hard to earn and retain the trust and respect of their customers.

In addition to being a pharmacist, banker and business owner, Don was a pillar in the community alongside his wife, Joyce. As a team it was important to them that they give back to the town they loved. Don was very active in Rotary and in his Masonic Lodge, Granite Lodge #177. He played a significant role in the careful growth of the town by serving as President of the St. Michaels Improvement Association beginning in 1966 and was appointed to the Board of Directors at St. Michaels Bank in 1964, and for a time, served as its Vice President. He was the youngest director ever to be elected. Among many titles he was the Treasurer of Calvert Drug Company in Baltimore and President of the National Retail Druggist's, eastern shore branch.

Outside of the business Don enjoyed many hobbies. He loved the links and showed off making not one, but two, holes-in-one in the same week on Kauai's Grand Hyatt Grand Slam Course! He also enjoyed hunting and fishing with his sons and sharing his love for sports with all of his children and grandchildren. Season tickets for the Baltimore Colts created wonderful memories and visits to the Charm City broadened horizons for everyone. Don also enjoyed travel and he and Joyce traveled the world together, forming a special bond with the Garden Island of Kauai where they split their time between Maryland and Hawaii while making many new friends along the way. Despite the allure of far-away places, their travels always brought them home to "Chez Jeune", their sanctuary on San Domingo Creek, also enjoyed by lifelong friends and neighbors Jack and Faye Shannahan, whom they loved very much. They were fortunate to have had many strong friendships in their sphere of life including a special friend, Carol Armstrong.

Donald Roy Young passed away on April 20 due to complications from a stroke. As Doc Young he helped heal many people over the years, and though a valiant fight was waged, we were unable to heal him. To his family he was known as Honey, Babe, Dad, Pappa Bear, Pap, and Pappy. God has now welcomed him in his many forms to His kingdom where he will reunite with his soulmate, Joyce, and other loved ones who have passed and where he can continue to watch over those left behind. Don is survived by his children Donald and his wife Mary of Easton, Lynda and her husband Craig Randock of Phoenix, AZ, David and his wife Karen of Tunis Mills and grandchildren Shane Young, Alexis and Nicole Randock, Corey Kaufman, and Wesley, Anna and Emma Schumann as well as great grandchildren Everly, Roman, Andrew (ADD) and Sister-in-law Kathleen Young and nephews Michael and Robroy and nieces Dawn, Tammi and Gina and many other dear family and friends. Donald was preceded in death by his wife Joyce, his parents Gladys and Roy, his brother Duane, sister Sharon, sister-in-law Joyce, and brother-in-law Lawrence W. Waldrige, sister-in-law Jayne Waldrige, niece Nicole Miller and cherished family pets Buttons, Pierre, Baron, Amber, and Tabby.

In Don's memory donations can be made to The St. Michaels Volunteer Fire Department, Talbot Humane Society or Chesapeake Bay Maritime Museum.

The family will receive guests and friends at Fellows, Helfenbein & Newnam, Easton, MD on Monday, April 27, 2026, from 11am until 12 noon. A service at the funeral home will begin at noon. Interment at Oxford Cemetery will follow.

Don is now soaring on the wings of his feathered friends. Look to the skies above San Domingo Creek and you may see his spirit there, along with that of Joyce. That was their home. Fly pappa, fly

“ *I just became aware of Don's passing today. I'm sorry I missed the services. I'll always remember Don for all the great times we shared working at Rhodes Pharmacy in Newark, DE. I was a delivery boy, still in high school, and Don was the Pharmacist in the Newark location. John Pollard, my dad, was the Pharmacist In the Brookside location. What a great job for a 16 year old kid to have. Don and I would talk about everything. He was the big brother I never had. We had some very interesting conversations together. My sympathies to the family! What a great guy your Dad was! Terry Hicks*

Hello Terry! Thanks for sharing this story. If my memory served me I'm sure Son, Dave and I heard similar stories from our father. His memory, unlike mine, was impeccable! I'm sure he spoke of you. 😊 He was a tremendous pharmacist and in that role helped many people through the years. And we knew the Pollards well. What a great family friendship!

Thanks again Terry for sharing. Lynda

“ I have very special, and wonderful memories of meeting and knowing the Young family, particularly when I was young. Dad introduced us to the Young family with trips to St Michael's, their place in Ocean City, and when the Young's would visit us when Dad had the pharmacy in Brookside. Mom and Dad loved the Young family and we all grew to feel the same way. Mom and Dad had their Johnny, David and Linda and Don and Joyce had their Donny, David and Lynda. The years slipped by and my parents health declined, with them both passing in 2015 which inevitably led to us all drifting apart, The pictures and memories we have of Don and Joyce will always be a part of us.

I have letters I exchanged with Joyce when I would send her CDs of the music I was recording as I got older, and it always meant so much to me to hear her response to my songs and the effort she put into recommending places for me to play. There was never really a conversation about the life of my parents without much of the conversation turning to Don and Joyce and St Michael's. I'm just learning of Dons passing but I will forward copies of any pictures I can find documenting their much appreciated visits. So to Donnie, David and Lynda, please accept the heartfelt sympathies of the Pollards in Newark, DE, and know how much we loved you all.

Hello Johnny! What a wonderful tribute you penned! Wow - you summarized a wonderful friendship between two families. And we, like you, do have so many memories of time spent with your family. We're so sorry your parents both passed in 2015. I know that must have been hard. Mom passed in 2021 and aside from the grief we're feeling now with Dad's passing, we feel some sense of peace knowing that they are reunited in heaven. And I do remember Mom speaking of your music - she always said she loved it! And one of our most vivid memories of the Pollards revolves around ghost stories! 🗿 Mom loved scary things and she shared a bunch of stories of hauntings at your home in Newark - most occurring after the in-door pool was built. There were some pretty good stories! And our father's came very close to owning a business together! But different factors put them on their own individual paths but as you say, our families remained close. And all of our names being so similar!

Thank you so much for the beautiful flowers and for the planting of the tree - all very thoughtful. If you see this and get a minute, please email me @ Lyoung525@aol.com. I'd like to get in touch. Thanks again Johnny for your sentiments. The Young's love the Pollards! ❤️
