“ *In a recent search of my family tree. I came across this obituary of your loved one Donald Olsen. I don't remember meeting him. But his parents I knew well as a child. Gladys was my grandmothers sister. My father was Lebaron Rasmussen. I just wanted to say how kind and considerate Harold and Gladys were to me as a child. I referred to them as Aunt Gladys and Uncle Happy. I never new my grandmother Phyllis. But your mom filled me in. I don't know if this will be read. But I send my condolences to your family. My name is Patty Rasmussen. (Whyte). I just wanted to share a memory.*
