“ Mr. Dickie and Miss Betty Lou,
Though Donnie and I never really knew one another, I have always known how much you both love him! I have no doubt he loved you both just as much!
To outlive your child must truly be one of the most difficult feats we can face in our lives. My thoughts and prayers are with you both as well as April and Tyler.
I believe that quality of life is so much more important than the quantity of our days. I pray your memories of the good times far outweigh the rough times.
My love to all of you!
