“ Sharon, Donnie and all your family
How very saddened we were to read of your son's death. We know only too well the heartache of losing a "child", no matter the age. It was one year ago when our daughter Doris died. We send our heartfelt sympathy and prayers that you find comfort and strength through your family and friends during this sad time. Be assured that you are in our thoughts, hearts and prayers.

“ Ms. Sharon, Mr. Donnie, Jeff & Greg, Our families were together so much in the spring and summer we were like family. As everyone has said Donnie was a very gentle soul. He did a lot of things for people that no one will ever really know. Personally I am eternally grateful for all he did for me in the past. I like MS. Pat will always remember the usilton boys just as we were when we were children. I will never forget the learning stations in 6th grade. We hadn't completed anything. Ms. Sharon, Mom, Donnie and I all worked on stations one whole weekend so we both could pass to the 7th grade. Those were the days. Love you,
