“ Donna and I had THE BEST VACATION October/ November 2000. We flew into Munich and spent a few days in Salzburg then Uncle Tulio picked us up and drove us to their home in Trieste Met the Italian cousins who were all so welcoming and delightful. We were investigating some family property in the islands that had been involved in socialist / communist dispute but was now finally free Her dad wanted us to check it out to see if the family would want to keep it or sell it. Beautiful and definitely a keeper. I forgot which island it was We later took a fabulous train ride to Rome and spent some days exploring there. It was Pope John Paul celebration and we were close to him in the Pope mobile in St Pauls Donna was a loving and fun gal. Thanks for the memories

Dear Valerie the island's name was Losinj and we all remember the beautiful time we spent together. Do you remember the pumpkin festival we visited together? Than the tour of Venice the three of us? Donna was so cheerful and full of life. We all had a lot of fun together. But we also have beautiful memories of the time spent together since we met her on the first time we visited the U.S. and she was still a teenager. We cannot believe she is no longer with us and will remember her and her beautiful smile forever. May she now find peace and rejoice in heaven. All her Italian cousins (Leda, Paolo, Marina, Antonella, Valentina and their Families)

“ So sorry to hear of Donna's passing. It was always a treat and laugh when she visited us in the Grasonville Post Office. She was always such a sweet lady and would bring us little snacks or treats that would brighten our day.
