“ *Twenty plus years of the gift of lovely Thanksgiving memories of three families(Peters, Izard, & Hengen) sharing company. Donna was a beautiful lady w/dark curly hair, dark brown eyes and a beautiful smile. She was always kind & thoughtful. Her specialties sauerkraut & sweet potatoes. A few more memories are of her mom, Pete's mom, Princey, movies, football, the backyard fishpond, after dinner walks around the neighborhood, horse curtains she sewed for our playroom, the lovely hand crocheted afghan. . . My minds eye can still see her busy in the Montpelier kitchen orchestrating a delicious meal w/Pete & Scott's help & the hustle & buzz of all of the rest of us enjoying the day and each others company. Donna will always be a precious part of those wonderful memories.*
